

JULY PROGRAMS AT STARKE COUNTY PUBLIC LIBRARY, MAIN BRANCH

JULY 7 WNDU - Water Effects on Severe Weather

11:30 am - 12:30 pm

Children and adults will enjoy learning from Mike Hoffman, Storm Team 16 Member of WNDU, about severe weather and how water is involved. He will also show a video on tornadoes. Plan on an exciting time. **Please register for this program by July 6th.** Call 574-772-7323.

JULY 6, 13, 20, 27 Crochet Class TUESDAYS

10:00 - 11:30 am

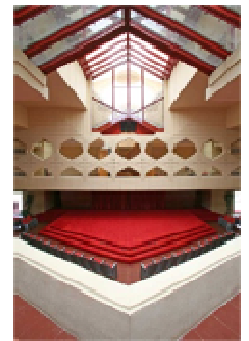

Looking for something to do to keep your hands busy, to break a smoking habit, make gifts for close family members or friend, etc.? Crochet classes continue on Tuesday mornings through July. If you have not signed up for this class, be sure to join the fun. Andrea Brown will help you make a project you are interested in. Adult, 4H'er's, and older children are invited. **Please call 574-772-7323 to register.**

JULY 22 An Evening with Frank Lloyd Wright

7:00 pm - 8:30 pm

What kind of buildings did Frank Lloyd Wright design? Why is he so well known? Come enjoy an extensive visual journey of his early years, family background, the evolution of his design work including residential and non-residential buildings, etc. Doug Osborne, a numerous design award himself with over 250 homes of his own, will present the program. You will not want to miss this treat. He has been well received at many libraries. **Please register for this program by July 21st.** Call 574-772-7323.

JULY 26 Gardening in Harmony with Nature

4:00 - 5:00 pm

Cory Barnes and John Sherck will save you money and time in your gardening experience. Cory will speak on Using Nature to Water your Garden. She will help you learn how to make an inexpensive rain barrel to harvest rainwater and re-direct it for use in your garden. John will show you how to use natural relationships to garden smarter instead of harder by working with nature instead of against it. He speaks on Gardening in Harmony with Nature. **Please register for this program by July 24th.** Call 574-772-7323.
