Subject: Golf Outing

### **Starke United Golf Outing raises nearly \$8,000.00**

On Friday, June 25<sup>th</sup>, Starke United held their annual Golf Outing at the Bass Lake Golf Course. As a result of the fantastic work by the event committee of June Binkley, Marylynn Ritchie, Cathy Raab, Gail Flora and May Crider, the event generated almost \$8,000.00 for Starke United. The 28 teams and 60 hole sponsors helped to make this year's event one of the most successful ever. Adding to the excitement for this year's outing was a motorcycle donated by Kersting's Cycle Center for a hole-in-one prize. Finishing in first place was the team from the First National Bank of Monterey, followed by the team from Five Star Foods in second. The team from Bass Lake Pub & Ristorante' came in third.

"I would like to thank all of the participants, sponsors, volunteers and board members for making this year's golf outing so successful. With the recently completed Mint Fest Ride, our 2010 campaign is off to a tremendous start," said Edie Hall, Executive Director of Starke United.

Starke United exists to provide leadership in uniting all people of Starke County to address human conditions through positive actions.

**Remember: Money raised in Starke County, stays in Starke County!**
